

VOLUME 61 ISSUE 5

May 2011

# ***SEVERE WEATHER SEASON***

**Are you ready?**

## May Ham Breakfast LOCATION

### Orange Plate Café

1825 Peterson Road  
Saturday, 7 May 2011

Time is from 8:00-9:30 AM

All are warmly invited to come on down and join us!

### May Club Meeting

The club meeting will be on May 11<sup>th</sup> (second Wednesday in May), at 7 pm at the Broadway Deli, 301 Garden of the Gods Rd.

#### PPRAA Club Officers

President	Mike Derbort	KCØELG
Vice President	Galen Steele	AGØA
Secretary	Dan Scott	WØRO
Treasurer	Pam Scott	WØPRS
Board	Gordon Dixon	KDØFKF
Board	Dave Moore	KØDAM
Board	Tom Brereton	WØTOM
Board	Doug Nielsen	N7LEM
Ø-Beat Editor	Mike Anderson	WV7T

All officers can be contacted at:

[boardmembers@ppraa.org](mailto:boardmembers@ppraa.org)

### \*\*\*PPRAA MEGAFEST\*\*\*

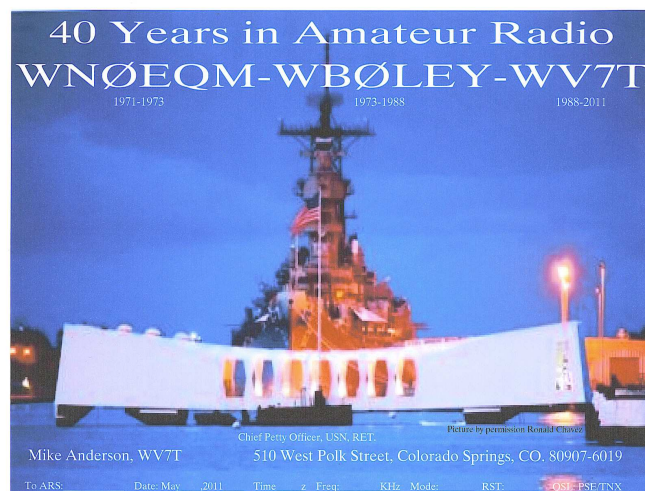

**Saturday July 16, 2011**

0800 to 1300

Lewis-Palmer High School  
1300 Higby Road, Monument, CO

How many of you got your  
Transparent Coax orders in  
early for Field Day?

## 40 years of Amateur Radio

May 1<sup>st</sup> to May 31<sup>st</sup>. Mike, WV7T, will operate a Special Event Station with the call WV7T/40 celebrating 40 years as a ham. Operations will be on 14.070 Mhz, 14.090 Mhz, 14.295 Mhz, 28.400 Mhz, 52.555 Mhz, and 146.400 Mhz. Certificate available for **SASE** or prearranged at PPRAA June meeting.

### April Club Meeting

2011 April 13<sup>th</sup>

#### PPRAA April Club Meeting Minutes

Michael, KCØELG, called the meeting to order at 7:06.

Everyone in the room introduced themselves with their name, call-sign, and what amateur radio activities they participated in since the last meeting.

Galen, AGØA, made a motion to approve of the March minutes as written in the Ø-Beat. Mike, WV7T seconded Galen's motion. The March minutes were then approved by the club.

#### Committee Reports:

### **Treasurer's**

Dan, WØRO, read the treasures report showing that we have \$8,431.02 in the three accounts. MegaFest tables are ahead of March 2010 Membership is down from March 2010

### **MegaFest**

Dan, WØRO, indicated that we need more volunteers supporting MegaFest. Although we would like people to sign up for specific positions, we will include an on-site signup allowing us to assign people ad-hoc.

### **Membership**

Michael, KCØELG, announced that the web site is being modified to include member's only section. The membership section will eventually include the Ø-Beat and other club related information.

Be sure to keep your email updated with the membership roster as your email will be the means for gaining access to the future membership only section(s).

The meeting sign-in book will include a location for your email address.

### **Contest and Awards Committee**

Michael, KCØELG, indicated that there is work at re-vamping the awards program. The new program is to take into account you amateur radio activity to encompass the many different aspects of amateur radio. This will include your involvement in ECOMM, club activities, and the various other on-air activities.

### **Field-Day**

Doug, N7LEM: Field-day this year will be at the proposed location of the PPRAA club station. Setup will be Friday, June 25th. Lunch will be served by the PPRAA Saturday; Dinner (supper) Saturday evening will be potluck with PPRAA providing a meat course. Breakfast will be served Sunday morning. Map and directions to the FD location will be posted on the [www.ppraa.org](http://www.ppraa.org) web site

### **PPRAA Club Station**

Doug, N7LEM: The location is coming along nicely with the foundation poured, walls up, and other construction well underway. The attorney will be drawing up a simple agreement between PPRAA and the property owner.

### **Other Business:**

### **Badge Orders**

A sign-up for PPRAA name/call badges was passed around which many members signed. Once we get a number count we will work on getting a discounted price. The badges have been \$10.00 to \$12.00 in the past.

### **Thursday night net**

Doc, WØMCT, reported that the Thursday Night net is still operating and in good shape. The net meets at 7:00 PM Thursdays on 28.390 USB. Because the net is geared to help you learn more about your rig(s), local propagation, antennas...etc, the net may jump around between modes and frequencies. Other Modes and frequencies include LSB, FM and AM on 10-meters, 6-meter SSB, as well as USB, and AM on 2-meters and 440-cm

### **Ham Breakfast**

Due to many amateur radio conflicts, the April breakfast was cancelled earlier in the week. Apologies to anyone not on the email reflector not receiving the message.

Doc, WØMCT, suggested that we centralize the monthly breakfasts at Broadway Deli. The Broadway Deli is centrally located to PPRAA members and would be an excellent location. This will be discussed at the next PPRAA board meeting

### **Filled Positions**

- \* Contest and Awards Committee Chairman – Mike, WV7T
- \* Photographer – Randy Nordstrom

### **Open Positions**

\* **VE Coordinator:** This position involves setting up the test sessions by coordinating the room (currently at Colorado Tech), getting the test team set up, and notifying the ARRL of scheduled events. Jackie, ACØCA, the current VE Coordinator will train and gradually transition out of this position.

\* **Historian:** Maintain the existing history and add picture, articles and other features that the volunteer thinks interesting into the future.

### **Library Display**

July 1st we have 1 hour to install the display in the Library.

Concept of display to cover: PPRAA,  
ARES/RACES, Skywarn, AMSAT

### **Upcoming Events:**

#### **CCARC Meeting**

April 30th. Check the CCARC website for details

#### **HAMCON**

The 2011 ARRL Rocky Mountain Division Convention will take place August 5-7 (Friday through Sunday) in Taos, NM. A forum topic will be started for those interested in car pooling.

#### **Tour De Cure**

Dan, WØRO, talked about The Tour de Cure Colorado. This is a one day non-competitive cycling event that raises critical funds for the American Diabetes Association. The date for the Southern Colorado (Woodland Park) Tour de Cure will be May 14th.

Need volunteers to assist with station and provide crucial communications. Sign up to assist by going to  
<http://www.wavelinedata.com/ARESPSE/Default.aspx>

This is an ARES communications event where brief concise communications are required. If discussing a participant only their bib number should be used over the air and never their name.

The Gold-Wing club will be providing on the road assistance and will be communicating via CB radio. As such it is advisable to have a CB radio at each station along the route.

#### **Frame Twisters Motorcycle Event**

The Frame Twisters MC will organize a motorcycle event in the Pikes Peak region on Oct 9, 2011. The board has recommended we table participation until after the Tour de Cure.

#### **Colorado QSO Party**

The QSO party is Saturday September 3, 2011.

#### **Next Meeting**

\* Wednesday, 7 May

\* Broadway Deli, just off "Garden of the Gods road" near I-25.

# **PPRAA Board Minutes**

## **PPRAA April 11<sup>th</sup> Board meeting**

Call to Order – 7:00 pm

**Minutes of the April board meeting** – John Wishart, KCØJFH moved and Doug Neilsen, N7LEM seconded, all approved.

**Treasurer's Report** – Pam Scott reported that we had \$8,431.02 in the 3 bank accounts.

Michael, KCØELG asked if we had the ability to track various accounts, scholarships, etc – the answer is yes. Pam has many years experience in non-profit accounting. Michael is checking into setting up a scholarship fund. Tom Brereton, WØTOM advised to use caution if setting up designated donations. He's seen this turn into a mess.

**Megafest Committee** – Next meeting is Wednesday, April 14<sup>th</sup> at 6:00 pm just before the regular meeting starts. TechConnect president has moved, Dan to contact the new one to make sure all is set for the forums. Brian M. talked to several vendors at the hamfest in Longmont to encourage them to come to our Megafest. Dan to contact John Maxwell to send us pictures of the communications trailer for our website. Dan to contact Maria to make sure all is ready there; and contact the scoutmaster about the scouts helping early Saturday morning with vendor unloading. Dan contacted Dick WØRAA's son about prices on shirts and hats. He is to be sending Dan more information.

### **Social Networking – no update**

**Special Event** – American Diabetes Association Tour de Cure – Saturday, May 14<sup>th</sup> bike ride along highway 67. We are working with PPARES to man this event for communications and safety. Contact Rob Roller to sign up to help. [n7lv@amsat.org](mailto:n7lv@amsat.org)  
Need to send out reminders for this event – still need volunteers.

**Frame Twisters Motorcycle Event** – only event communications, we could complement the already existing emergency communications. Do we still want to help? Decision to table helping with this event until we see how participation goes with the Tour De Cure event goes. This event is not until the fall, so we still have time.

### **Open Positions**

VE Coordinator – position still open Historian

**Contest & Awards Chairman** – Mike Anderson, WV7T accepted the position  
Photographer – Doug Nielsen, N7LEM said he would talk to Diana to talk to Randy about this position.

### **Unfinished Business –**

**Library update** – We are reserved for July – setup is Friday, July 1 at 9:00 am Briargate Library

**Field Day** – Building is coming along out east. Doug Nielsen, N7LEM to verify if we can have Field Day out there. Suggestion was made to invite members of WØTLM to participate with us.

**Location for permanent club meetings** – Michael Derbort, KCØELG has been checking on various locations for club meetings, Challenger Learning Center is an option.

### **Membership Benefits –**

Open discussion about the benefits –

- Should we have membership cards, if so, who is going to be responsible for these?
- technical support
- access to club station
- education & training
- 0-Beat – provide a password for all members to access, non-members can access archive issues from the website.
- Picnic
- Field Day
- Christmas party
- Door prizes

New Business –

- Scholarship Fund - \$500 or \$1,000
- What would be the process to apply? Pam to send Michael samples.

Galen Steele, AGØA made a motion that new members get a name tag after attending 3 meetings. Pam Scott, WØPRS seconded. Motion carried.

John Wishart requested that we contact Plaque World to get an order form for name badges and take orders at a club meeting. Pam Scott said she would call them.

CCARC meeting April 30<sup>th</sup> at Colorado College  
Doug Nielsen will be attending.

Respectfully submitted  
Dan Scott, Secretary

## TECHNICAL EDUCATION

Mike Anderson, WV7T  
[wv7t@arrl.net](mailto:wv7t@arrl.net)  
719-229-8610

### **\*\*\*LICENSE CLASSES\*\*\***

Contact Mike WV7T for information.

The present classes are going very well.

License and code tutoring. Electronic theory.  
Technical instruction upon request.

Site for General Class PowerPoints:  
[www.rtsi.com/~HRInstructor](http://www.rtsi.com/~HRInstructor)

Another great study material site  
[www.K3DIO.com](http://www.K3DIO.com)

---

**Powerpoint files** covering subelements (G0-G9) for the new General license exam effective July 1, 2011 are available for download from the link below in zipped format. The files can easily be turned into slideshows for use in license exam classes or exam cram sessions and displayed using a laptop computer and video projector.

<http://ars.nc4fb.org/downloads/general-2011-ppt.zip>

<<http://ars.nc4fb.org/downloads/general-2011-ppt.zip>>

Flashcards for subelements (G0-G9) for the new General license exam are available from the link below in zipped format. No additional software is required to view the flashcards which are randomly displayed each time they are viewed. Double click the file names. Advance the flashcards using the right arrow, backup with the left arrow, press <esc> to terminate the viewing session. The viewing session automatically terminates after the last flashcard has been viewed.

<http://ars.nc4fb.org/downloads/general-2011-flashcards.zip>  
<<http://ars.nc4fb.org/downloads/general-2011-flashcards.zip>>

**Free** amateur and commercial radio license exam study programs and materials are available at the link below.

<http://nc4fb.org>

---

**Congratulations** to Joseph Nonnast and David Hoza - brand new general licensed hams who passed their TWO tests yesterday! You earn membership in the club. Hope to see you at a meeting soon - the next one is April 13th at Broadway Deli on Garden of the Gods. (See our website for more details. [www.ppraa.org](http://www.ppraa.org))

Welcome back Steve Williams, KØSRW  
renewing member!

Hope to see all of you at a meeting

Pam Scott, WØPRS  
PPRAA Treasurer

---

**The Frontier Amateur Radio Society (FARS) is pleased to present the 2011 Nevada QSO Party.**

The Nevada QSO Party was founded by FARS. However, for the past few years it has been administered by a couple of different groups and most

recently has become known as the Nevada Mustang Round-Up. The administration of the NQP has recently been passed back to FARS.

We are pleased to announce the creation of the "Silver State Series" a collection of three contests associated with our state.

Nevada is proud to be a part of the 7th Call Area and a participating state in the 7th Area QSO Party, the first event in the series. We urge all Nevada hams to get on the air May 7-8 and support the 7QP.

The second event in the series is our own state QSO party the Nevada Mustang

Round-Up. It takes off for 24 hours the following weekend on May 14th.

The Silver State Series is rounded out on September 10th with the first running of the new "Nevada High Noon Shootout". The Shootout is a fast paced "sprint" type of event.

Full details of all the events are located at the new Nevada QSO Party website  
<http://www.nvqsoparty.info>

High quality plaques will be awarded to the winners in each category. Equally high quality certificates will be sent to the high score in each state, providence, and DXCC entity.

We are looking forward to hearing you on the air next month.

73,  
John H. Bigley-N7UR  
President  
Frontier Amateur Radio Society

± ARCI Hootowl Sprint 2000 local - 2400 local, May 29

± MI QRP Memorial Day CW Sprint 2300Z, May 29 to 0300Z, May 30

---

## Rocky Mountain Division CONVENTION

We are pleased to announce that registration for the 2011 ARRL Rocky Mountain Division Convention is now OPEN!

The 2011 ARRL Rocky Mountain Division Convention will take place August 5-7 (Friday afternoon through Sunday late morning) in gorgeous Taos, New Mexico at the Sagebrush Inn hotel and Convention center. The theme of this year's Convention is "(Re)Discovering the Thrill of Ham Radio", and every activity and event being planned by the Convention will reflect this theme.

Head over to the Convention website -- [www.2011Convention.org](http://www.2011Convention.org) -- and read about everything that's being organized for your enjoyment, whether you've been a ham for many years or are brand-new to the exciting hobby and service. Note the impressive guest speakers who will travel from across the nation to enjoy the Convention alongside you; the numerous ham radio manufacturers and vendors who will be present; the many fun individual and club ham radio challenges and competitions; the buy/selling/trading that will occur; the memorable activities being planned especially for spouses and family members; the chance to create pileups on the bands by operating special event station W1AW/5; unique activities such as a possible high-altitude balloon launch with ham payload; the opportunity to socialize with perhaps nearly a thousand hams from all over our great Division enjoying the event; the delicious meals with guest speakers; the many prizes

to be given away throughout the event; and the chance to relax for a nice weekend alongside new and old ham friends at the comfortable Convention hotel.

Members of the ARES, DX/Contesting, and QRP communities take note: We are organizing TRACKS of forums specifically for you. That is, up to eight (8) forums from Friday evening through Sunday morning dedicated specifically to ARES topics. And the same for DX/Contesting. And the same for QRPers. Join many fellow hams who share your exact interests at the Convention for a great weekend of swapping ideas and camaraderie. We'll also have an additional eight forums on other exciting topics that don't necessarily fall within the above categories (things like internet HF remote bases, high altitude ballooning, HF propagation phenomena, and more).

All the details you'll need about the 2011 ARRL Rocky Mountain Division Convention including registration and vendor information await you at [www.2011Convention.org](http://www.2011Convention.org) (easy to remember, and easy to announce on the air and at club meetings).

A quick note: We've noticed a minor bug with our online registration. If you run into difficulties putting multiple, identical things into your shopping cart (such as a husband and wife signing up for identical registration categories at the same time), please simply purchase one and then make a separate, second purchase for the other.

Please mark your calendars and make plans with your spouse/family, ham friends, and club members to carpool/caravan to beautiful Taos, New Mexico this August 5-7 for an incredible Convention.

---

## Thursday Evening Net

Please join us for the Thursday Night 10-meter net. We meet at 7:00 PM (Local) on or near **28.390 USB**. The goal of the net is for Technicians through Extra class operators to enjoy a weekly on-the-air chat, and experiment with various transmission modes. The outcome of the net has been a surprise to new better understanding of our radios, filter usage, mic gain, transmission line..etc.

This is a perfect net for an introduction to HF and/or SSB too. The net is informal, just jump in with your call and net control will get you on the list. One thing that is (almost) always is giving a description

of your rig, antenna system and approximate location.

**We also exchange 10-10 numbers**

Technicians remain operating SSB as do other class operators with SSB only radios. If you are restricted to SSB do not let that bother you as we take that into account even as we jump between modes (AM, FM, DSB, LSB).

Hope to hear you Thursdays on the net!

73s  
Dan WØRO

---

## MARC May VE Exam

The Mountain Amateur Radio Club VE Team will be conducting a VE session at 10 am on Saturday, May 7th, in the Community Meeting Room of the Woodland Park Library, 218 East Midland Avenue. The MARC VE Team is affiliated with the ARRL/VEC and examinations for all classes of license will be offered.

Full information, including driving directions to the Woodland Park Library, is available under "VE Sessions" on the MARC website at <http://www.nx0g.org/ve.html> or contact Wes Wilson (KØHBZ) at [k0hzb@arrrl.net](mailto:k0hzb@arrrl.net) or call (719) 687-8758.

If attending, please BE SURE to bring the following items to the session:

**1. A valid PHOTO ID**, driver's license preferred (if you do not have a valid photo ID, please call for alternative identification requirements).

2. Your **SOCIAL SECURITY NUMBER** (now required – this includes children).

3. Your **ORIGINAL amateur radio license** (if any) **AND a PHOTOCOPY** for the VE Team to keep.

4. The **ORIGINAL** of any relevant **CSCEs** you may have **AND a PHOTOCOPY** for the VE Team to keep.

5. **Cash, Check or Money Order for \$15** (standard ARRL VE Fee). Checks and money orders should be made out to MARC and covers all the different exams you wish to take at the VE session.

MARC VE Team policy, as with many VE Teams, is to not allow same day retests on failed exams.

For already licensed hams, MARC members should be monitoring the MARC repeater system 146.820- or 448.650- (both 107.2 Hz) if you need help with talk-in.

73 Wes KØHBZ
